Ocean Traders

Importers & Distributors | Government Contractor | General Order Supplier

Serving for more than two decades

**Dependable Supply.
Practical Technology.
Proven Field eXperience.**

Public Profile Summary

Ocean Traders is presented in its supplied profile as a government contractor, wholesaler and general order supplier serving public, private and educational organizations. The profile cover references 2001 while the introduction states 2002; this public summary therefore uses the neutral wording "Serving for more than two decades" until the establishment year is confirmed.

Public-safe publication policy

This summary intentionally does not reproduce FBR/NTN/STRN scans, Active Taxpayer pages, tax returns, audit reports, bank statements, security deposit records or other sensitive financial/tax documents. Manufacturer/partner and experience credentials are summarized instead.

Products & Services

- Offset printing
- Books and answer sheets
- Computers and accessories
- Servers, data storage and networking
- Photocopiers and UPS systems
- Security equipment
- Office and school furniture
- Multimedia and science equipment
- Sports and stationery items
- Solar and green-energy solutions
- Related power/generator and institutional supply requirements referenced in field experience

Supply approach

The company profile emphasizes broad institutional procurement capability, genuine equipment sourcing through manufacturer/distributor channels, and supply/maintenance experience across multiple sectors.
